

## **Learning Disabilities Resolution**

Passed on 5/20/2021

**Whereas** we know that when schools provide early screening for and science based structured instruction for reading difficulties, fewer students will experience reading disabilities such as dyslexia, that interfere with their gaining full potential.

**Resolved** that, DC fund and provide teacher training, early screening, and science based interventions for reading disabilities as set out in [Act 23-0548, Addressing Dyslexia and Other Reading Difficulties Act of 2020](#)
